<b>Policy Title:</b> Maintenance, Repair and Replacement of Solid Waste Containers	<b>Adopted By:</b> Council	<b>Effective Date:</b> April 17, 2017
<b>Original Resolution No.</b>	<b>Resolution No.</b> 134-2017	<b>Page</b> 1

**Purpose:**

The purpose of this policy is to establish guidelines for the sale, repair and maintenance of Town owned solid waste containers.

**Policy:**

All solid waste containers are the property of the Town of Battleford. The care and upkeep of the solid waste containers is the responsibility of the property owner.

Damaged solid waste containers are to be reported to the Public Works Department for maintenance and repair. All maintenance and repair work completed is to be charged the cost of the replacement part and a flat labour rate of \$30 plus taxes to the property owner. Solid waste containers that have been damaged beyond use are to be replaced and charged to the property owner.

Solid waste containers that have aged beyond their use, shall at the Public Works Department discretion, be replaced by the Town. The cost of the replacement will be charged to the property owner.

The Town will supply a new solid waste container to newly constructed homes. If there is a change of property owner, that property owner will continue to use the solid waste container designated for that civic address.

New solid waste containers will be sold at cost plus \$30.00 administration fee.
